what we ARE NOT

- ✗ We're not builders (thankfully), so we show up when we promise, finish what we start, and charge what we quote (no guesses)
- ✗ We're not not a sports company laying astroturf and dabbling in other markets. We are the domestic experts
- ✗ We're not the cheapest. You cannot have the best service and quality at the cheapest price. You get what you pay for. We believe in quality and value for money
